The specialty consultation services listed below can be referred directly to the specialist **without a prior authorization number**. Your patients must see **in-network** providers/physicians and utilize contracted facilities shown on your current provider roster. Please give this direct referral form to your patient to make the appointment and ask that he or she bring this form to the requested specialist/facility. **Procedures such as, but not limited to, surgeries, colonoscopies, imaging guided procedures and device placements require prior authorization.**
